

**Peripheral Arterial Disease Coalition
2008 Call for Nominations**

The Nominating Committee of the Peripheral Arterial Disease (P.A.D.) Coalition is seeking nominations for individuals to serve on the Coalition’s Steering Committee and Standing Committees.

The Steering Committee serves as the operational body of the Coalition and performs all duties as defined by the Rules of Governance. Nominations are being accepted for the following position:

Vice-Chair, P.A.D. Coalition Steering Committee (3 year term)

Any member of the Coalition may self-nominate or offer names for consideration by the Nominating Committee. Details of duties and requirements are listed in the Rules of Governance. All nominees for the Vice-Chair position must represent **Full** member organizations and have a willingness to serve and desire to help the Coalition be successful. Furthermore, this commitment should be matched by a workload and schedule that permits leadership and full participation in monthly Steering Committee conference calls, the Coalition’s annual meeting and other activities, as needed.

The Nominating Committee will review all nominations and establish a slate of candidates. To the extent possible, the slate of candidates selected by the Nominating Committee will reflect the broad membership of the Coalition.

Please nominate individuals for the following positions:

Vice-Chair, P.A.D. Coalition (3 year term): _____

Nominations – Standing Committees:

The P.A.D. Coalition is always seeking volunteers to serve on the P.A.D. Coalition’s Science, Membership, Communications, Education and Advocacy committees. Nominees for Standing Committees can come from **Full, Liaison, Associate and Supporter** member organizations. Please nominate individuals to serve on these Coalition committees:
