

SAMPLE EMAIL IN SUPPORT OF THE P.A.D. RESOLUTION

Dear _____,

I am writing to urge Representative _____ to cosponsor H.Res 1438, the P.A.D. Resolution. This non-binding resolution would help raise awareness about the seriousness of P.A.D.

Most Americans know the dangers of clogged chest arteries, but few are aware that clogged leg arteries are just as dangerous. Known as peripheral arterial disease (P.A.D.), clogged leg arteries greatly increases one's risk of heart attack, stroke, amputation, and death.

Although millions of Americans have P.A.D., it unfortunately receives little attention. By cosponsoring the P.A.D. Resolution, you can help save lives. Thank you and I look forward to your response.

Sincerely,
